

CHOCOLATE FOUNTAIN

P101CUD200

With this ingenious fountain, you can easily create a beautiful chocolate waterfall to make any party even more special. The continuous movement of the melted chocolate kept at a constant temperature is perfect for dipping various types of fresh fruit, candied fruit, biscuits, waffles, churros, marshmallows, and so on to enjoy the company of family and friends. 3-tier stainless steel tower, removable for easy cleaning. Suitable for all shades of chocolate, both milk and dark or extra dark. Ideal also for other ingredients that become liquid, such as cheese, caramel and liqueur.
