

RECHARGEABLE SOFA LAMP - WHITE

P201UTP402

Rechargeable sofa lamp with touch switch.

With a simple touch you can choose between warm, cold or natural light and you can increase or decrease the intensity of the light by holding down the power button. The height is also adjustable: by means of the 5 sections of the stem, you can position it in every corner of the house. The lamp is also suitable for illuminating tables and/or furniture corners.

USB charging cable included in the package.
