

POPCORN MACHINE

P101CUD050

The 22 cm diameter popcorn maker with non-stick heating tray is ideal for preparing in about 5 minutes up to 75 grams of popcorn at a time. The transparent lid will convert into a large bowl to comfortably serve popcorn to the whole family. The automatically turning stainless steel stirrer distributes corn kernels and oil (or butter) evenly during cooking. Easy to use, with power button and stable non-slip feet. Measuring cup included.
