

USB RECHARGEABLE HAND MIXER

P102SBA007

Practical cordless rechargeable mixer, to quickly mix, beat and whip various foods. Two stainless steel whips are included: a traditional whisk for eliminating lumps, whipping and emulsifying; suitable for making mayonnaise, mixing creams and sauces. A balloon whisk to incorporate a lot of air and to mix whipped ingredients preventing them from whipping down. Suitable for whipping cream and egg whites, for emulsifying and for mixing more consistent preparations such as butter creams. The product has 5 adjustable speeds and recharges in about 4 hours for an autonomy of about 3 hours. USB charging cable included.
