PIZZA OVEN

## P101CUD300

An excellent ally to prepare and enjoy pizza of your taste whenever you want. It cooks pizza perfectly in less than 5 minutes thanks to the temperature that reaches $400^{\circ} \mathrm{C}$ and the heat-resistant refractory stone. Suitable for freshly made or frozen pizzas. With 5 adjustable cooking levels and a 15-minute timer. The 31 cm diameter cooking plate is easily removable thanks to the cool touch handles for serving pizza at the table and for easy cleaning. Ideal for cooking or reheating bread, wraps, toast, savory pies and many other dishes.
