

RECHARGEABLE HAND BLENDER

P102FRU300

Cordless immersion blender with lithium-ion battery that can be recharged in about 3-4 hours, allowing operation for up to 30 minutes. The product recharges via the included USB cable and is equipped with a safety device to prevent accidental switch-on. Equipped with an LED display showing the battery level. Two selectable speeds, two steel blades and removable steel drum for easy cleaning.
