Delizia is the Beper pressure multicooker that transforms every recipe into a simple, fast, and delicious experience.

Thanks to its 15 automatic programs, it allows you to easily prepare appetizers, first courses, second courses, side dishes, and desserts, adapting to every kitchen need.

The smart panel with LED display makes it intuitive to use, while the 24-hour timer allows you to program cooking or set a delayed start, so your dishes are ready when you want.

Equipped with 10 safety systems, including pressure and temperature control, overheat protection, and a lid lock, it guarantees reliable use at all times.

The 6-liter container with non-stick coating (BPA, PFOA, and PFOS-free) ensures even cooking and easy cleanup.

Thanks to shorter cooking times compared to traditional cooking, it also allows for energy savings.

Complete with a measuring cup and spatula, Delizia is the perfect ally for bringing successful dishes to the table every day.
