

Zen Water Fountain - Double Waterfall

P201UTP200

A Zen fountain of small dimensions and modern style, suitable for any room in the house and ideal for moments of relaxation and rest.

The water flows in a continuous movement for a visual effect that gives the room a clean, Zen touch. Easy to assemble and use, simply add water to fill the basin, position the fountain and connect to the electrical outlet.

The pump will allow the water to flow through the circuit, and also allows the flow to be regulated.

The interchangeable coloured LED lighting provides pleasant mood lighting.
