

ZEN WATER FOUNTAIN - AMPHORA WITH WATERFALL

P201UTP201

Zen water fountain with a compact design and modern style, suitable for every house environment and ideal for resting and relaxing moments. The water flows with continuous movement for a visual rendering that gives a zen and clean touch to the room. Easy to mount and to operate, just add water to fill the base, place the fountain and connect the plug to the wall socket. The pump will make the water flow through the circuit, allowing also the flow regulation.

Multicolor LED light will offer a pleasant mood light.
