

Lumì double-sided rechargeable floor lamp - Black

P201UTP306

Rechargeable, height-adjustable sofa lamp with touch switch. With a simple touch you can choose between warm, cold or natural light. The light intensity can be adjusted by holding down the power button. The adjustable height via the 5 sections of the stem allows it to be positioned in every corner of the house. The lamp comes with a convenient wall-mounting accessory included, allowing easy positioning and orientation for maximum comfort. The night mode maintains a light illumination at the top of the lamp, with adjustable brightness. USB charging cable included.
