## P101BOL200

The Beper kettle combines elegance and functionality, for those who enjoy serving with style. Its cordless design and 360° rotating base ensure optimal freedom of movement and ease of use. The 1.8-liter borosilicate glass carafe is thermal shock resistant and features elegant LED lighting during operation. Concealed heating elements and a stainless steel plate ensure efficiency and durability, while the removable stainless steel filter, ideal for loose teas and infusions, is easily cleaned in the dishwasher. Equipped with an automatic shut-off after boiling or when the water runs out, as well as an overheat protection system for safe and worry-free use, its 2200 watts of power ensure fast and quiet boiling.
