P204FER005

Powerful, fast and precise: BEPER SteamPro 300 is the iron designed to make ironing easier and faster, even on the most difficult fabrics.

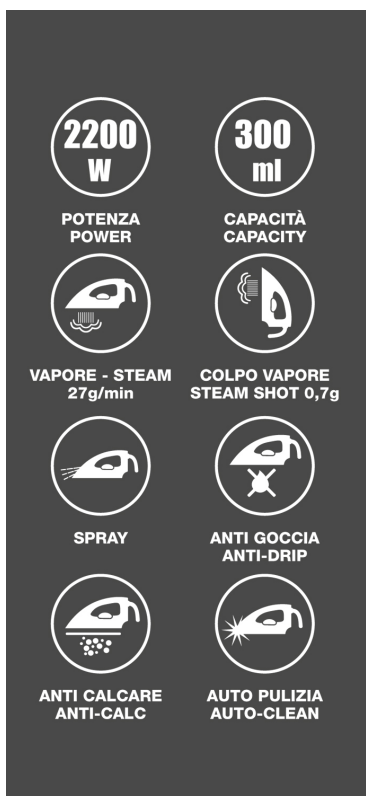

Its large-surface steel soleplate ensures even heat distribution and glides easily over all types of fabric.

With its 25-27 g/min continuous steam and 0.7 g steam blast, it removes deep creases and stubborn marks in just a few passes.

The temperature is precisely adjustable according to the type of garment, for optimal results every time.

The 300 ml reservoir guarantees long autonomy, while both dry and steam operation makes it extremely versatile.

A practical anti-drip, self-cleaning and anti-limescale system complete the functions, for long-lasting performance and minimal maintenance.

STEAMPRO 300 IRON

P204FER005

PRODUCT SIZE: 30X12X17

MATERIAL: PP+ABS

POWER: 2200 W

GROSS WEIGHT: 1,40 KG

PACKAGING SIZE: 30,40X13,10X16,40

PACKAGING: GIFT BOX

UNITS X PARCEL: 4
