

DIGITAL KITCHEN SCALE - WHITE MARBLE

P102BIL004

The Beper digital kitchen scale combines compact design and advanced features to accurately weigh solid and liquid foods. Featuring a tempered glass plate with innovative patterns, it's perfect for those seeking practicality without sacrificing style. The tare function allows you to weigh multiple ingredients in succession, while the touch buttons and LCD display ensure simple and immediate use. Thanks to the rear hook, it can be hung to save space in the kitchen. The high-precision sensor measures from 1 g to 5 kg, with the option to select between grams and pounds. Complete with automatic shut-off and battery included, for a ready-to-use experience.
