## P101BBQ001

Perfect for grilling at home, on the balcony, or in the garden, this electric barbecue combines power and convenience to offer you delicious, hassle-free cooking. With this electric barbecue, you can grill quickly, safely, and without excessive smoke, bringing the pleasure of grilling right to your home.

Large cooking surface (41.5 x 24 cm): enough space to prepare meat, fish, vegetables, and much more.

Dual grill positions: choose between cooking closer or further from the heat, for perfect results every time.

Metal water tray: reduces smoke during cooking and keeps food tender.

Adjustable temperature with thermostat: adjust the heat according to the recipe.

Safety device: the barbecue only operates when the heating block is correctly inserted. High power (2000W) for quick and even cooking.

Easy to clean: detachable parts make maintenance quick and convenient.
