

Rechargeable lantern NOVA Anthracite

P207ILI103

Rechargeable metal lantern with a modern design, featuring a power button on the base.

The light intensity is adjustable, and you can choose between warm, cool, or natural light. Thanks to the integrated high-capacity battery, it offers extended autonomy (up to 24 hours at minimum intensity)

USB charging cable included in the package.

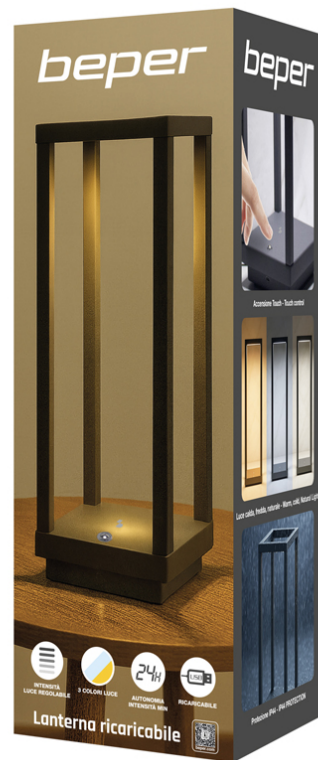

Suitable for both indoor and outdoor use, thanks to its IP44 water resistance rating.
