stake allows you to fix the lamp to the ground anywhere in the garden, next to flower beds or along paths.

3 functions:

1. Motion sensor mode;
2. Motion sensor mode + dim light mode;
3. Always on mode, without motion detection function.

Thanks to the handle, the lamp can be used as a mini lantern and carried around.

It offers up to 40 hours of continuous light at minimum intensity, while at maximum intensity it stays on for up to 3 hours.

Suitable for outdoor use thanks to its IP44 water protection rating.
