

Solar lamp with clip and motion sensor CLIPIA

P207ILO003

Solar lamp with clip and motion sensor, perfect for lighting and decorating outdoor spaces in a simple and

functional way. Thanks to the integrated clip, it can be easily attached to fences, gutters, garden furniture, awnings and much more. It is the ideal solution for camping, gardening or outdoor events. It is equipped with two hooks that allow it to be hung even on smooth surfaces such as tiles or glass. Alternatively, it can be permanently fixed with screws. It has three lighting modes: soft light with motion sensor, motion sensor switch-on, continuous soft courtesy light. It offers up to 8 hours of light at minimum intensity. Suitable for outdoor use thanks to its IP65 protection.
