Mini adjustable air cooler

**P206RAF202**

Mini tabletop air cooler, perfect for beating the heat wherever you are: at home, in the office or on the go.

Beper S.r.l.

Thanks to its USB power supply and compact size, it's also ideal for camping or studying. The interchangeable evaporative panel and the 2 included ice containers enhance the cooling effect, whilst the 3 fan speeds and adjustable tilt allow you to customise the airflow. The 7 coloured LED lights create a relaxing atmosphere, making it the perfect companion for any time of day.
