## P302VIS051

Practical mirror with elegant and modern design with dimmable LED light. Ideal for makeup, your daily beauty routine and an effective facial care. Equipped with touch on and off with 3 lighting modes: hot, cold and natural light, selectable with a simple touch and with adjustable intensity. Consisting of a pedestal with a convenient base, which guarantees maximum stability and inclination of the mirror at 90° for maximum ease of use. Use via rechargeable battery or with plug&play function, which also allows use during charging time via the included functional USB cable.
