## P101TEM100

The Beper silicone food warmer is the perfect solution for anyone looking for a practical, modern, and versatile way to heat or keep food warm!

Flexible and rollable, it unfolds in seconds and provides a wide warming surface — ideal for keeping multiple dishes warm at the same time.

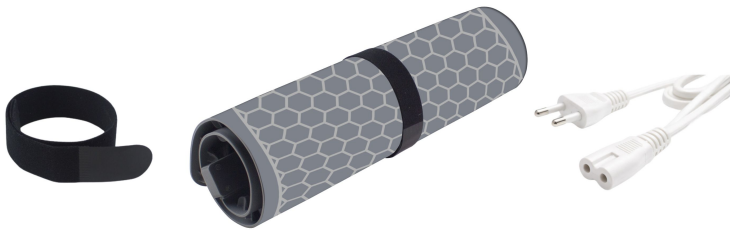

Choose from three adjustable temperatures — 60, 80, or 100 degrees Celsius — to gently reheat, keep your food hot, or safely defrost in minutes.

The built-in timer, with 1, 2, or 4-hour settings, offers maximum flexibility for daily use.

With touch controls and a simple On/Off button, it's incredibly easy and intuitive to use. Power: 350W

Perfect for home, office, buffets, or family dinners, this food warmer is your go-to ally for serving perfectly heated meals — anytime!
