P202ASP410

Practical brushless mini vacuum cleaner and blower, ideal for quick and versatile cleaning in various spaces such as your home or car. Thanks to its dual function as a vacuum and blower, it is perfect for removing dust, crumbs, and dirt, and for quickly eliminating residue from keyboards, vents, or small surfaces. Equipped with two speeds, power up to 80W and suction up to 11KPA, it guarantees high performance despite its compact size. It runs on a rechargeable lithium battery, which allows for up to 20 minutes of use and is conveniently recharged via USB Type-C. Six specific accessories are included for every cleaning need, and the HEPA filter is removable and easily washable, ensuring quick and easy maintenance.
