Practical set of 4 silicone travel bottles to organize your creams, shampoos, and lotions when you're on the go. Each bottle has a capacity of 90 ml and is made of BPA-free silicone, which is lightweight, flexible, and super durable. Thanks to the soft material, the bottles are easy to squeeze, preventing product waste. The wide opening makes filling and cleaning easy, allowing you to pour in your favorite creams or empty the contents completely. Perfect for air travel, the gym, the pool, camping, or everyday use, they feature a drip-proof cap that helps control the amount dispensed and provides a better seal. The convenient transparent case neatly holds the entire set and makes it easy to see. Includes handy pre-printed labels so you can immediately recognize the contents of each bottle and avoid any confusion when you're away from home.
