A manual anti-cellulite massager that allows you to freely adjust the intensity and pressure to suit your needs. Designed to stimulate microcirculation in the skin and aid the drainage of excess fluid, helping to achieve a firmer, smoother complexion. It features numerous serrated rollers that deliver a deep, intense and effective massage, ideal for targeting problem areas. The detachable handles allow for practical and versatile use, making it easier to treat specific areas of the body. The ergonomic grip ensures a firm and comfortable hold during use, reducing hand fatigue. Perfect for use on the thighs, buttocks, abdomen and arms, it is suitable for daily use, even after physical activity or in combination with specific creams.
