The 3-in-1 rechargeable espresso machine is compact, portable, cordless and designed to go with you wherever you go. With 19 bar of pressure, it delivers excellent coffee wherever you are. It is compatible with Nespresso and Dolce Gusto capsules, as well as ground coffee, thanks to the three adapters included. It heats water to 85°C and is ready in 2 seconds with hot water or in 4–6 minutes from cold. The 7800 mAh battery allows you to make up to 60 coffees without preheating or 3–4 with preheating. Tank capacity 80 ml and cup capacity 250 ml. Made from safe and durable materials: ABS and 304 stainless steel. Easy to use, durable and intuitive: your coffee moment, always with you. Perfect for travelling, camping, the car and the office.
