P301ASC020

Power and control for perfect styling every day.

AIRON is the Beper hairdryer designed to ensure fast drying and professional results in the comfort of your own home.

The 2200 W motor delivers a powerful airflow, whilst the 6 speed and temperature combinations (2 speeds and 3 heat settings) allow you to tailor the drying process to any hair type and style.

The cool air blast is ideal for setting your style and achieving a longer-lasting result.

Complete with a concentrator nozzle for precise styling and a diffuser to add volume and definition, it's perfect for creating straight or wavy looks with ease.

The practical design with a hanging hook makes it easy to store, ideal for everyday use.
