Dry, style and create your look in a single step.

ICONICA is Beper's multi-styler hairdryer, designed to create a complete hairstyle right at home, combining drying and styling in a single versatile tool.

Thanks to its high-performance brushless motor, it generates a rapid and constant airflow for quick drying and precise styling. The 2 speed settings and 3 heat settings allow you to tailor its use to your hair type and desired look.

The handy LED display makes it easy to see the selected temperature, whilst the 6 included accessories offer maximum styling freedom: quick drying, straight styling, volume at the roots, soft waves and natural curls.

The removable magnetic filter cover makes cleaning and maintenance easy, whilst the included case allows you to neatly store the product and all its accessories.

Stylish, powerful and multifunctional, it is the ideal companion to transform your daily hair routine.
