

MILK FROTHER

90.349

Compact, practical and quick, the Beper milk frother is the perfect tool for whipping up creamy, light foam in seconds.

Ideal for cappuccinos, latte macchiatos and hot drinks, it allows you to froth milk quickly and effortlessly, straight into the cup.

The stainless steel whisk guarantees consistent and long-lasting results, whilst the ergonomic ABS handle ensures a comfortable and stable grip during use.

Thanks to its compact and lightweight design, it is easy to use and store, perfect for everyday use. Battery

operation makes it practical and always ready to use, with no need for cables.

Easy to clean, it is the ideal solution for those who want a moment of pleasure and quality at home.
