

ELECTRIC LUNCH BOX

90.920G

Practical and compact, the Beper electric food warmer is the ideal solution for enjoying hot meals wherever you are: at the office, at school or on the go. Made from BPA-free ABS, it features a removable 1-litre inner container and a stainless steel heating plate that allows you to heat food easily and evenly.

The removable container makes cleaning easy, whilst the lid with locking clips and a vent valve ensures food is kept safe. The integrated handle makes it easy to carry, perfect for taking your lunch with you every day.

The set is completed by an additional 450 ml container with a lid and plastic cutlery, to help you organise your meal. The detachable power cable and indicator light ensure practical and immediate use.

A functional and versatile food warmer, designed for those who want convenience and comfort even when away from home.
