

## RECHARGEABLE BEARD TRIMMER

**40.332**

Define your style with precision thanks to the Beper TrimX20 rechargeable beard trimmer, designed for a precise and versatile shave. The stainless steel blades ensure a uniform and long-lasting cut, while the adjustable ring allows you to choose between 20 cutting lengths, from 1 mm to 10 mm, with 0.5 mm intervals for maximum customisation. The battery offers up to 90 minutes of autonomy with a full charge in about 2 hours. The removable blades make cleaning easy, while the included accessories – USB-C cable, lubricating oil and brush – complete a practical and comprehensive kit for everyday use.
