

GLASS CHOPPER

P102ROB001

Capacious food chopper with 1.5L glass container. The double pair of stainless steel blades allow homogeneous mincing of food throughout the container. It can be used with a single pair of blades. Two speeds to be able to control the power and the level of mincing in a simple and fast way. With safety and anti-overheating system. Practical non-slip base. Easy to disassemble and clean.
